Order Status

1) Awaiting Scheduling

You have just placed your order and it is awaiting to be scheduled

2) Order Scheduled

Your order has been scheduled and we will start working on it soon!

3) In Progress

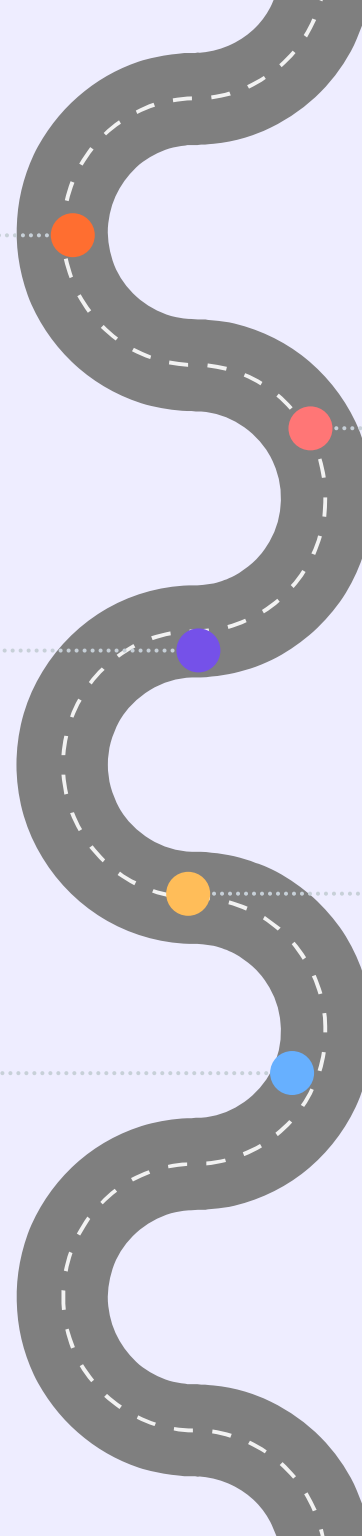

Your order is currently being worked on.

4) Awaiting Customer Feedback

Your order is completed! You can ask for revision during this period

5) Finished

Your order is officially finished! Any further revision during this point may be chargeable

We appreciate if all relevant documents are sent to us at the start of the order.

If there are new instructions or documents sent to us while we are working on the essay, we will try our best to incorporate those new instructions in.

Having said that, if the new instructions are vastly different, there may be charges should there be any changes to what has already been written.

Once the piece is completed, you will receive an email with the file attached along with the email and also a link to the order.

Your first point of contact is through the order discussion as stated earlier. However, if you have anything urgent, we are always available on:

Whatsapp: 9026 6176 / 9474 7041

Phone Call: 9026 6176 / 6810 8857

Refunds

Refunds will be given for the following reasons:

- 1) There is a mistake in payment. This can refer to paying two or more times erroneously or overpaying.
- 2) Failing to adhere to the deadline as stated in the order summary.
- 3) We could not confirm your orders. This can be due to unavailability of any writers, among other things.

Customer feedback and grade feedback

You will be prompted through email to fill up a short survey about your experience with us once we've passed you your completed order.

2-3 weeks after passing you your completed order, you will be prompted on email to let us know what grade did you get for the assignment.

This is essential for us to motivate our writers and to maintain the quality of our work. We will really appreciate if you can help us in providing your feedback!
